WHERE COLOUR FINDS ITS POETRY
From the warmth of rust to the softness of sand and the depth of Rani, every shade tells its own story. Delicate embroidery brings each ensemble to life, while flowing dupattas and easy silhouettes make dressing up feel wonderfully natural. A collection for days that turn into memories.

RUST, WITH A LITTLE RADIANCE

A burnt rust hue, a beautifully worked neckline and scattered accents of shimmer, a look that catches the light without asking for attention. Warm, expressive and easy to wear. It brings a quiet richness to any occasion.

A STUDY IN EARTHY RICHNESS

Deep chocolate tones set the stage for intricate floral embroidery in soft gold. There is something quietly striking about this combination, rich without being heavy, detailed without being ornate. A look that lets the beauty of its colours speak.
