A picture of you brings comfort. A
night of you brings relief. A
memory of you brings bliss. Your
soul and you are worthy
companions, settled in all-creating
the pain and the sorrow of the
world from the mirror and the
sireny which possesses it. From
your serene grace, love is born and
from your gaze, it spreads across the
world. There is talk. There are
whispers. There are debates. And
they're all about you. Sitting
together they wonder about the
enigma and the charisma which
surrounds you, as you sit at
majestically in your breathtaking
sari. What could be the secret that
you possess, which the common
world is not privy to? Well, let's tell
them it's our little secret, shall we?

 what it deserves has been lost
 forever. Joy, smiles, laughter
 and most importantly style.

 you reign supreme with your
 timeless grace. You are linked
 up to your beliefs. As you
 breathe, you transform the
 atmosphere of the world that
 surrounds you. And all that is
 gathered, all that is blown, all
 that is past disappears in an
 instant. In your wake, the
 earth's big head, again, and
 spreads its arms. Little
 wonder then, that you can
 reflect vitality, vigor and
 vivaciousness—the
 main components of life.
