Over the years I have learned that what is important in a dress is  
the woman who is wearing it

You can wear black at any time. You can wear it at any age.  
You may wear it for almost any occasion

*Fashion is not necessarily about labels. It's not about brands. It's about something else that comes from within you*

*Fashion is not something that exists in dresses only.  
Fashion is in the sky, in the street. Fashion has to do with ideas,  
the way we live, what is happening.*
