Embroidery is all about threads. Gold and silver threads are highly in demand today, as they are much in vogue nowadays and moreover convey royal feel to outfit. Other color threads like maroon, red, etc are also much in use. However, before choosing the thread for the embroidery check whether the color of the fabric and the threads used is complementing each other or not. The embroidered Indian lehengas are available in diverse colors. From pastels to darker hues, like green, lemon, lilac, pink, sky blue etc. Outrageous colors like dark green, blood red, maroon, purple, orange and more.
