*In this era where the style trends of the fashion industry dominate the world more than they ever did, and most of us only see new people dress but also trends in how we dress, making fashion and style a small matter. In this era where people do not only wear their clothes, it is worn up the whole attitude of a generation, and this is our new generation today.*

*In the 21st century the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home ware design, makeup fashion and people's overall attitude. In the 60s flower power did not only mean flares and tunics, it summed up the whole attitude of a generation. This is even more prominent today.*
