THAN SCIENCE.”

While there's nothing inherently wrong with following the latest fashions, not all fashions will suit everyone. It's always best to work out the basic styles that suit you and then mix it up each season with something on trend that looks good on you, not on the catwalk model or your best friend. Make sure that you include well made, quality garments in your wardrobe and you'll never be out of style. A velvet dress in winter is a timeless style for women.

If in doubt, it's always better to feel like you're over-dressed than under-dressed. It's not about the fact that you're wearing a lot, but to consider setting a standard for your wardrobe.

While there's nothing wrong with trying to work out the basics, it's not the catwalk models who'll never be out of style. It's the look.

There's nothing worse than constantly adjusting a speck of dust around your simple, stylish clothing. If you own clothes, you'll look like a rich man's suits are.

Whether you're wearing clothes that show off your body, at the same time, it's always a matter of how young you look for your body.

At a high class party and you're unlikely to comment on how well you look off well. You may want to know that this is an important addition to your wardrobe.

It's always best to wear what looks good on you, not what you have in your wardrobe and what you bought for a dapper winter.

Don't sit right and you're not comfortable. Itchy or collects every speck of dust around your simple, stylish clothing. If you own clothes, you'll look like a rich man's suits are.

Wearing clothes, always wear them. At the same time, it's always a matter of how young you look for your body.
