### Fabulous Style

I have always believed that fashion was not only to make women more beautiful, but also to reassure them give them confidence.

Fashion is so close in revealing  
a person's inner feelings and  
everybody seems to hate to lay  
claim to vanity so people tend  
to push it away. It's really too  
close to the quick of the soul.

## Glamour is everything

Clothes and jewellery should be startling individual when you see a woman in my clothes you want to know more about them to me that is what distinguishes good designers from bad designers.
