Incredibly Vibrant

You must dare to be different coz styling is always to be exclusive.

Fashion is so close in revealing a person's inner feelings and everybody seems to hate to lay claim to vanity so people tend to push it away. It's really too close to the quick of the soul.

Festive Anecdotes

Cultural Connoisseur

Clothes and jewellery should be starting individual. When you see a woman in my clothes, you want to know more about them. To me, that is what distinguishes good designers from bad designers.
