MOOD

fashion creator

"Fashion you can buy, but style you possess."
The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and, above all, attitude.

EXPRESS *the beauty*

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

PRESENT

"What you wear, is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

DEFINE

the beauty

"Don't be into trends. Don't make fashion own you,
but you decide what you are, what you want
to express by the way you dress and the way to live."
