DIFFERENT STYLE

Clothes and jewellery should be startling individual when you see a woman in my clothes you want to know more about them to me that is what distinguishes good designers from bad designers.

922-008

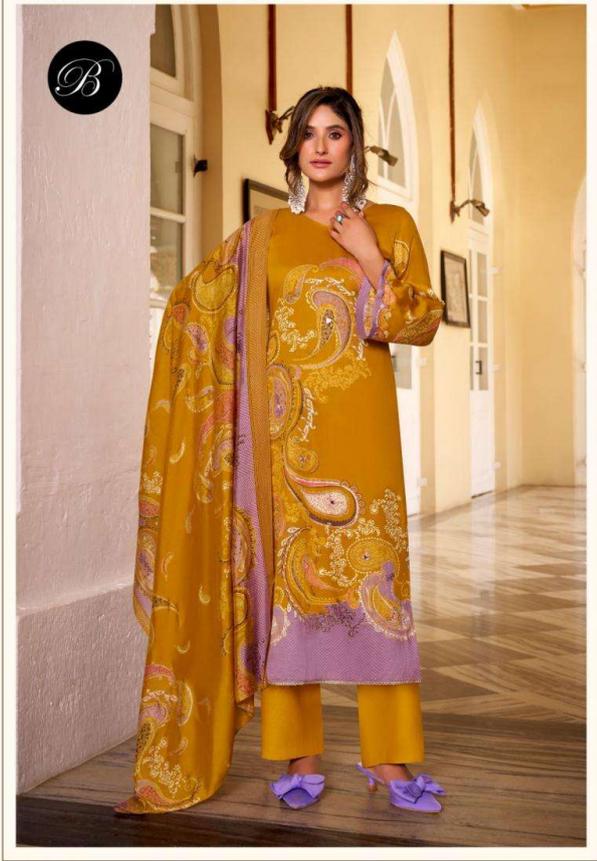

Exotic fabric that looks radiant in both an elegant drape or a flirtatious careless wrap. 922-007

GLAMOUR IS EVERYTHING
Fashion is an obsession in revealing a person's inner feelings and everybody seems to want to be
admired to wear as people tend to push it away if it really has close to the quick of the soul.

922-006 Over the years I have learned that what is important in a dress is the woman who is wearing it.

BLANDISH STYLE

Fashion is so close in revealing a person's inner feelings and everybody seems to hate to lay claim to vanity so people tend to push it away it's really too close to the quick of the soul.

I like being a woman even in a man's world After all men can't wear dresses but we can wear the pants.

DIFFERENT STYLE

CLASSY AND FABULOUS

I'm thinking balls are to men what purses are to women it's just a little bag but we'd feel naked in public without it.

AN ATTITUDE TO CONQUER

Fashion is not necessary about labels its not about brands its about something else that comes from within.

Unique shade of red and the warmth of subtle print is together an avalanche of beauty. 922-002

FABULOUS STYLE

While clothes may not make the woman they certainly have a strong effect on her self confidence which i believe does make the woman.
