THE BEST COUTURE

"The most important thing to remember is that you can wear all the greatest clothes and all the greatest shoes, but you've got to have a good spirit on the inside. That's what's really going to make you look like you're ready to rock the world."

Go out and find your own inspiration in nature. Source nature websites for more inspiring images. Go outside with your smartphone, take your own photos of what you see and get inspired!

Be sure to note color, pattern, texture and shape! When do you see in the photo that could easily be interpreted in the design of your dress.
