Glamour

*Fashion is not something that exists in dresses only.
Fashion is in the sky, in the street, fashion has to do with ideas,
the way we live, what is happening.*

A woman with long dark hair is standing in a garden-like setting. She is wearing a maroon-colored dress with large, colorful floral prints in shades of orange, pink, and green. The dress has a high neckline and long sleeves. She is also wearing a bracelet and a ring. In the background, there is a building with a balcony, a black wrought-iron lamp post, and a tree. The overall scene is outdoors and well-lit.

dress impeccably and they remember the woman."
