Present yourself

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

SAFIYA

VOL-02

EXPRESS THE WAY

"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."

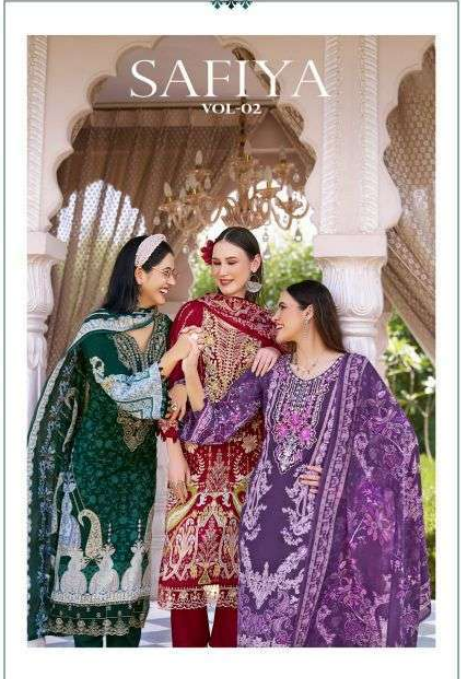

"Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well."

D.NO:960-006

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

D.NO:100001

❖❖❖
"Don't be into trends. Don't make fashion own you, but you decide what you are
, what you want to express by the way you dress and the way to live."

D.NO:960-003

B

"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag.
It's something reflected from our soul to the outside world—an emotion."

D.NO:960-007

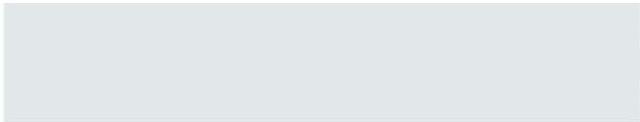

SAFIYA
VOL-02

"I think fashion can do a lot. Fashion is very popular, so it can help broadcast a message and reach a new generation."

D.NO:960-005

D.NO:960-001

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and, above all, attitude."
