"Fashion is part of the cloth, we need a return of the late
style of the 1970s, the movement was the right way of a
revolution in clothes. You can't see and see
everything in clothes."

DIFFERENT *looks*

"Fashion is part of the daily life and it changes all the time with all the seasons. You can't ignore the importance of its restoration production. You can't see and feel every thing in a moment."

The advertisement features a woman in a yellow and green outfit standing in a desert-like setting. The background is a soft, hazy landscape with a boat visible in the distance. The text 'SIMAR®' and 'DIFFERENT looks' is prominently displayed in the upper right corner. A quote is placed in the lower left area, and three asterisks are centered below it.

"Beauty is part of the study, art and a change of the time, with all the words.
You are not just the appearance of a woman's clothes, it can be said
but everything in rhythm."
