"THE DIFFERENCE BETWEEN STYLE
AND FASHION IS QUALITY."

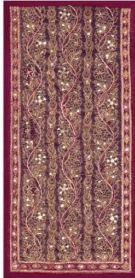

"A woman's dress should be a like a barbed-wire fence: serving its purpose without obstructing the view."

"FASHION CAN BE BOUGHT.

STYLE ONE MUST POSSESS."

The paradoxes of today are the
prejudices of tomorrow;
since the most
brightened and the most deplorable
prejudices have had their
moment of novelty when fashion
lost them its fragile grace.

"DRESSING IS A WAY OF LIFE."

"It is both delusional and stupid to think that clothes don't really matter and we should all wear whatever we want. Most people don't take clothing seriously enough, but whether we should or not, clothes do talk to us and we make decisions based on people's appearances."

"FASHIONS FADE,

STYLE IS ETERNAL."

"The well-dressed man never stands out in a crowd; his elegance sets him apart."
