THE
Uptown girl
Beauty

The world touches and tarnishes everything within its confines as daily basis. Stick in your white
Saree, you offer resistance. Every blemish it tries to inflict on you is nullified by the pure white.
You are the eternal symbol of grace.

THE Sculptor OF Panache

As to they sing the strains of her beauty in the words of an ancient poet. It paints a picture
Of her with her splendor her wonder and glow all. All those who listen to
It discover him like never before.
